

## **Aviation Window Restoration System - Clearfix Aerospace Spray**

### **Product Description**

The Clearfix Aviation Window Restoration Spray Cleaner is for surface cleaning during the substrate restoration process. We also recommend the use of this spray cleaner for regular cleaning of transparency surfaces after restoration. Using products other than the Clearfix Aviation Window Restoration Spray Cleaner may remove the Clearfix Aviation Window Restoration UV Coating from the substrate.

### **Key Features**

- Recommended for cleaning polycarbonate and acrylic windows, always use with microfiber towels
- Effective cleaning spray for use anytime but especially before and in-between buffing steps
- Comes ready to use in an 8oz spray bottle
- Quick and easy to use
- Stable and long shelf life

### **Typical Uncured Physical Properties**

**Note:** The following technical information and data should be considered representative or typical only and should not be used for specification purposes.

<b>Product:</b>	<b>Clarity Restoration Step 1</b>
Color	Clear
Base	Water Based Product
Viscosity	1.0 – 1.6 cps
VOC	Less than 5% by weight
Storage	Extended shelf life when stored at 50°F - 75°F

### **Directions for Use**

Use the Clearfix Aviation Window Restoration Spray Cleaner for cleaning the substrate and removing polishing compounds during the buffing process. This product is also recommended for regular cleaning of transparencies before and after the restoration process.

To clean surface to be refinished thoroughly;

- spray the surface to be cleaned liberally with Clearfix Aviation Window Restoration Spray Cleaner
- wipe the window with a clean microfiber towel to clean and remove all contaminants
- use a dry microfiber towel after the initial cleaning step to ensure the window is completely dry.

### **Precautionary Information**

Refer to Product Label and Material Safety Data Sheet for health and safety information before using this product. For additional health and safety information, please visit [www.clearfixaerospace.com](http://www.clearfixaerospace.com) or call 1-619-297-3678.

## For Additional Information

Call 1-619-297-3678, or e-mail [info@clearfixaerospace.com](mailto:info@clearfixaerospace.com)

## Technical Information

The technical information, recommendations and other statements contained in this document are based upon tests or experience that Clearfix Aerospace believes are reliable, but the accuracy or completeness of such information is not guaranteed.

## Product Use

Many factors beyond Clearfix Aerospace's control and uniquely within user's knowledge and control can affect the use and performance of a Clearfix product in a particular application. Given the variety of factors that can affect the use and performance of a Clearfix product, user is solely responsible for evaluating the Clearfix product and determining whether it is fit for a particular purpose and suitable for user's method of application.

## Warranty, Limited Remedy, and Disclaimer

Unless an additional warranty is specifically stated on the applicable Clearfix Aerospace product packaging or product literature, Clearfix Aerospace warrants that each Clearfix Aerospace product meets the applicable Clearfix Aerospace product specification at the time Clearfix Aerospace ships the product. Clearfix Aerospace MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. If the Clearfix Aerospace product does not conform to this warranty, then the sole and exclusive remedy is, at Clearfix Aerospace's option, replacement of the Clearfix Aerospace product or refund of the purchase price.

## Limitation of Liability

Except where prohibited by law, Clearfix Aerospace will not be liable for any loss or damage arising from the Clearfix Aerospace product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
